Dear Friends

*The Lord be with you. **And also with you.***

These are the opening words of the Common Worship Eucharist and we find them echoed in a slightly different way in the Book of Common Prayer offices of Morning and Evening Prayer as they are placed later in the services just before the prayers. However, they are much more important than a simple hello or a prelude to the daily collects. For these words express just what our relationship with God and each other means. They are words of blessing from priest to people and from people to priest, and remind us that Church is not limited to the ordained and/or the licensed but in fact the Church is every single person. As I remind the Confirmation candidates each year, the Church is not the building it's the people. Week by week as we say these words this is brought home to us in a special way. For at the most significant parts of our worship we "bless" each other. For me as the priest it's a very moving moment as I receive the blessing of the Royal Priesthood, the people of God before I lead God's people in worship and prayer and stand before God on their behalf.

Week by week as we gather, and day by day as we go about our daily lives, we are the hands and feet of Christ to the world and to each other; and as Jesus said: "As my Father has sent me, so I send you." (John 21:20).

As members of Christ's body we have not been made members of a "holy huddle" but of a missionary people tasked with spreading the good news of the Gospel with those around us;

and as we continue our great celebration of Easter and prepare to celebrate the 'birthday of the church' at Pentecost there is no better time than now to do just that. Of course spreading the good news of the Gospel is so much more than getting people to come to Church, but that's a pretty good way of sharing it. There are many folk out there who really need to hear the good news that love is stronger than death, and that even the grave could not defeat the love of God in Christ. So why not make a point of inviting someone along to our to church one Sunday. Perhaps someone who has "lost the habit" and just needs a friendly invitation to take it up again? If every regular worshipper brought along just one or two other people we'd more than double the numbers of "living stones...precious in God's sight...a holy priesthood" offering "spiritual sacrifices acceptable to God through Jesus Christ" (1 Peter 2:4).As I never get tired of saying: Christianity is a faith that is more 'caught' than 'taught'.

With every blessing Amma Sue

Thank you

As I have now completed my term of office as Churchwarden at St Mary's I wish to say thank you for allowing me the opportunity of serving our church.

While it has not been the easiest of times with two interregna and major repairs to the steeple and sanctuary to be dealt with, I still feel it as been a privilege to hold the position and I wish to thank everyone for their support and assistance during this time.

I also wish to thank Barbara and David for agreeing to take on the roles of Churchwarden and offer them my support as they carry out their responsibilities.

Annual Parochial Church Meeting

A big thank you from the PCC to everyone who came to the very well attended Annual Meeting on Sunday 12 April.

There were several very encouraging aspects. The accounts are in balance after all the efforts involved in fund-raising and the Repairs Appeal. We welcome several new members to the PCC and are delighted that David Holroyd and Barbara Lucas will be our new Churchwardens. We hope that all our current Sidespersons are willing to continue for this next year. Please sign the list in the Narthex!

Thanks were extended to Graham, on his retirement as Churchwarden and Treasurer, for all his hard work under increasingly difficult personal circumstances. We are grateful to everyone, too numerous to mention individually, for all the many contributions to our life of St Mary's.

Unfortunately, we are still in urgent need of a Treasurer. If anyone is willing to undertake this essential role, or has a contact who could do so, please speak to Amma Sue.

CHRISTIAN AID WEEK

10th – 16th May 2015

Afraid, alone, in pain . . .

Be the answer to Loko's prayer this Christian Aid Week.

Four times a week, in a remote corner of Ethiopia, Loko makes a back-breaking eight-hour trip to gather wood. It's a task she dreads, but she steels herself to do it because if she doesn't her children will starve. She prays to God as she walks. 'I ask him to change my life and lead us out of this,' she says.

Just £5 could give Loko a loan to start her own business buying and selling tea and coffee, freeing her from her desperate task and allowing her to spend more time caring for her family. Loko's choice in life is simple:

'If I can't collect firewood, my children will die.'

This Christian Aid Week, you can help transform the lives of women like Loko. From 10-16 May, churches the length and breadth of Britain and Ireland will come together to pray, campaign and raise money to improve the lives of people like Loko.

Every year, 100,000 volunteers demonstrate God's love for the poor by taking part in house-to-house collections for Christian Aid. This fantastic witness is a chance to take the mission of the church into our community.

Mellor St. Mary C. E. Primary School News

Pupils Confront Speeding Motorists

On Tuesday 24th March 2015 Year 6 pupils from Mellor St Mary C.E Primary School interviewed speeding motorists at the Traders Arms, Mellor.

Small groups proceeded on foot up to the Traders Arms ready to question the motorists breaking the speed limit. The pupils had readily prepared questions to ask drivers above the speed limit. This event was organised by PC Lee Forshaw, community beat manager of Wilpshire and Mellor. He stated that he was astonished by the amazing questions the children had come up with.

Altogether 7 motorists were stopped but only 5 were quizzed by the enthusiastic school children from the local school over a period of 1 hour. This took place from 1:00pm – 2:00pm. Most of the recorded speeds were between 30 – 40 mph, however one man was caught speeding at 46 mph! The youngsters asked if the speeder realised the pace he was travelling at? He replied by saying **“No, I didn’t actually.”** Another child wondered if the driver of the vehicle had noticed the speeding signs as they entered the village and she replied by saying **“I did but I didn’t feel as if I was over the limit.”** Others speculated whether there was a cause for their speeding which was answered with **“I was rushing to get to work as I was probably going to be late.”** A further group were unsure whether the driver appreciated the fact that they could be risking other people’s lives as well as their own. This was replied by exclaiming, **“Yes, yes I do but during the course of me speeding, I had completely forgotten about this.”**

Police officers have been discussing with the children how much this has helped decrease the amount of speeders in and around Mellor. We hope the drivers in this village have been encouraged by the younger children who have talked to them about their speed when driving around the village. We are going to arrange another initiative between the times 4:00pm-5:00pm so as to catch the rush hour traffic. We would like to thank the Year 6 pupils and teachers of Mellor St Mary’s C.E Primary School for taking part in this speed traffic survey.

Parochial Church Council Review of the Year 2014

This year has been a difficult year with only one churchwarden. However, the introduction of PCC members as assistant wardens, individuals taking on specific tasks, and the support of Graham Calvert and Hilda Hilton has been a great help.

During the year there were five major fundraising efforts: the Village Quiz, the Art Festival, the Barbecue, Autumn Fayre and Christmas Tree Festival. Thanks go to everyone involved in these events whether as part of the organising committees or through their support at them.

The PCC met 6 times during the year and there was also the encouraging meeting with the Archdeacon of Blackburn to review the work of the PCC. In addition to these there were the Annual Parochial Church Meeting and two Vestry meetings, the second extraordinary meeting being required as regrettably no churchwardens had been appointed at the first meeting prior to the APCM. Another combined PCC Away Day was held in September to discuss United Benefice issues.

Stewart Woodward, Jean Freeman and Bill Shaw resigned from the PCC; we thank them for all their hard work. Sue Saunders and Marilyn Watson were welcomed as new members. It is with great sadness that we remember the loss of two PCC members who contributed so much over so many years, Geoff Peake and Sonia Tipper.

The successful Repair Appeal concluded in February having met its target of £52,000, which not only enabled the work to be completed but also restored the reserves held with the Diocese of Blackburn back to the pre repair levels.

The various organisations within the Church have continued to flourish: the Mothers' Union, the Sunday School, Youth Fellowship and Little Angels.

During the year Geoff Hill resigned from the position of Organist and Choirmaster as he moved from the area and thanks go to Margaret Baldwin, Frank Ashton and Rosemary Potts who played for services and organised choir practice until a new Organist and Choirmaster was appointed. We welcomed Mike Wilcock to this role in the autumn and have greatly appreciated Mike's contribution to our worship over the recent months.

The church school continues to provide a wonderful start to our children's lives thanks to Mrs Taylor and her staff and we look forward to and enjoy their participation, together with that of our own Sunday School children, in our services. We congratulate them on the quality of their OFSTED and SIAMS reports.

The church continues to look attractive and welcoming thanks to our cleaners and our flower ladies, led by Joan Moss, while the churchyard is maintained throughout the summer by the willing team of mowers. The church clock and chimes also continue to play an important part in the life of the village thanks to the care and attention they are given by Alan Bibby.

The parish magazine flourishes under the editorship of Rita Gorman and Ron Hak. Richard Jones and Chris Davis ensure the website and notices are up to date and

informative. The Fair Trade stall continues to be held on the first Sunday of most months and the work of the card ladies is ever present.

Thanks are again due to all those who help with our services:visiting clergy, Nigel, choir, sidespersons and servers. We also thank the ladies who make the coffee for us, not only after parish communion on the first Sunday of the month but also at the weekly coffee mornings.

Finally, to everyone who has supported the church in any way during the year, and there are far too many of you to name individually, we hope you will accept this note of thanks and appreciation. Without you all, the Parish Church of St Mary, Mellor, would not be the centre of our worship and witness.

As this is his last report as Church warden, Graham would like to thank the parish for giving him the honour to serve as Churchwarden and for the support he has received during the last six years.

**All of them were

the Holy Spirit!**
Acts 2.4

The Story of Pentecost

When the day of Pentecost came, the Apostles were all together in one place. It was ten days after Jesus had gone back to heaven. Before he had left them, He had made a promise.

"The Holy Spirit will come to you. He will give you power to tell people about me."

For ten days, the Apostles and some other followers of Jesus had stayed together, praying and waiting. But now the great day had come! Suddenly, a noise like a strong wind filled the whole house and the followers saw something that looked like flames of fire, falling on each person there. They were all filled with the Holy Spirit, and they began to speak different languages.

At that time Jerusalem was full of Jewish visitors from all over the world. They were all surprised, because each one of them heard the Apostles speaking in his own language. They were completely amazed at this. . . .

FRIENDS OF CHERNOBYL'S CHILDREN

We have held two very successful fundraisers this year. Your support for both the Charity Shop and the 80's Tribute Night was very much appreciated.

The Charity Shop total was £1735 and the Tribute Night raised £1310. We have now raised enough money for the flights and visa costs for the children which is our largest expense.

The children's visit this year is approaching fast. They arrive on May 30th and return on 27th June. If anyone wishes to learn more about our charity or help in any way please contact me.

Churchyard Spring Cleaning 2015

A very big thank you to everyone who helped with the spring clean up in March, both everyone who turned up on the night as well as those who were unable to be there then but did whatever they could at other times.

The churchyard is once again looking much tidier and welcoming to everyone.

Easter Services

There were so many services and events in the time leading up to Easter that gave us an opportunity to join with people across the United Benefice and beyond. These are a few of our experiences.

In terms of getting together with other people, we enjoyed the thought-provoking Study Group sessions at the Methodist Church, attended by over 40 people on several occasions. The chance to ask questions and hear a variety of ideas is a welcome addition to attending Sunday services. The Ecumenical Passover Meal, led by Father Doran, was a "full house". We learned a great deal about the symbolic foods used in the meal and the significance of the stages of the meal itself. The food was excellent and so was the company.

At Balderstone, the stark words and images brought home the reality of the

Crucifixion. The silence during the stripping of the altar at Samlesbury was an opportunity for quiet contemplation. The darkness in church at St Mary's, lit only by the candles we held. The mist and peacefulness at the dawn service on Mellor Moor. It does not seem right to pick out something above the rest, but for us the beautiful singing and organ-playing at the Passiontide Reflections service were unforgettable. Our thanks to Mike Wilcock, and to Amma Sue for all her work in organising so many services.

Would you like us to mention it in the Church magazine?
Please let us know.

Mellor Youth Fellowship - - - UPDATE.

After discussing the group with all the youth team and Amma Sue we agreed that it is of prime importance we keep connected with the youngsters. With this in mind, Youth Fellowship will be run as more of a 'Youth Club' with the emphasis on keeping in touch, rather than any formal spiritual teaching. Proverbs 29;18 says 'where there is no vision the people perish'. The vision we will be showing the youngsters is by the Christian example of people willing to give their time and support to them. That will hopefully encourage them one day to become active adults in the church, faith kept flickering, not perishing.

So....

1. We will be meeting in St.Mary's Court not church
2. We will be offering a place to meet, possibly some activities, maybe games, mainly just get together, exchange news, keep in touch.
3. The tuck shop will still operate.
4. Renaming the group to VISION after the proverb, and the idea we want to see each other in friendship.

*We look forward to seeing you.
The Youth Fellowship Leaders*

Rose Queen/Walking Day

We hope you can all come along on 13th June for this wonderful day. Our Rose Queen for 2015 will be the adorable and dedicated Sunday Schooler Caitlin Slater. Attending her will be Matilda Dunn, Scarlet Venables and Emilie Dunn. This is the main occasion of the year where everyone comes together as a church family and is truly a day full of joy and friendship, for all in our parish, so please encourage your neighbours and friends to join the fun. Each year we hear that churches who previously had a Rose Queen or similar have stopped this event due to lack of support or lack of children in church. Please encourage your friends along and keep our Mellor tradition alive.

-:-:-:-:-

HELP PLEASE!

As you are aware from last year there is now no police assistance on the day. We need 2 people who enjoy wearing high viz to help on the day. One is to block the road near the Methodist church and redirect traffic and one person to walk at the very back of the procession as final marker. If you can do either of these jobs we would be so grateful.

Contact Barbara Lucas or Debbie Chadwick.

We are looking forward to the 8th Annual Church Barbecue !

When? Friday, 3rd July 2015 from 7pm
